

Carlos Queen

Lineage: Unknown (Reported to be [Haralson](#) seedling)

Introduced by: [Robert Erskine, Rocky Mountain House AB.](#)

Date: 1972

Notes: Fruit 7.5cm green with a slight blush. Good dessert, cooking and keeping. Named for an early post office in the Rocky Mountain House district. -A little tender but good- says Coutts. [H1](#).

[-Edible Apples in Prairie Canada](#)

A large, green-red blush apple with good dessert and cooking quality. It has been moderately hardy and the fruit stores well.
