

# Clinical Neuroscience GRAND ROUNDS

**10:00**

**Farrah J. Mateen, MD, PhD**

Associate Professor  
Harvard Medical School

Emerging Concepts in NMO

The learning objectives are:

- 1) To understand the available evidence on NMO treatments
- 2) To analyze the available methodologies and outcomes for emerging NMO treatment options
- 3) To discuss the recognized epidemiology and cost implications of NMO therapies across populations

**11:00**     **Joel Molder, Echoes of the Past: Case Presentation**
